ABOUT ME

As a Textile Designer, I have always wanted to explore the Textile design industry and excel in it. I am a self motivated and proactive person who finds ultimate satisfaction in whatever task I do. Adept knowledge in creating sample designs, sourcing fabrics, accessories and very fine in its quality. Knowledge of printing, dyeing, weaving and finishing technologies. And also as Embracing perpetual learning, I find inspiration in diverse corners, blending my artistic background into the dynamic world of User Experience design. Trying to weave a narrative where curiosity, artistry, and zest for life converge into innovative designs.
